# General Information

---

The Law School was established as a department of Richmond College in 1870. In 1890 the family of the late T. C. Williams, who had been a devoted and valued Trustee, donated \$25,000 as the nucleus of an endowment for the Law School. In recognition of this gift, the name of the School was changed to THE T. C. WILLIAMS SCHOOL OF LAW. At various times the School has received further generous gifts from members of the family of Mr. Williams. A substantial gift came through a bequest from Mr. T. C. Williams, Jr. who, like his father, was long a Trustee of Richmond College, and for twenty years was the efficient Chairman of the Executive Committee of the Board. The largest of these gifts was received by bequest from Mr. A. D. Williams, another son of Mr. T. C. Williams.

The T. C. Williams School of Law is an integral part of the University of Richmond. The University Senate, on which sit representatives of all the faculties, provides for intercollegiate cooperation. Ultimate authority is vested in the Board of Trustees and the President of the University. The degrees in law are conferred by the corporation of the University of Richmond. Although possessing a proud tradition, the Law School continues to keep pace with the changing methods of legal education in order to prepare its graduates for the modern practice of law.

The School is fully accredited by the recognized standardizing agencies in America. It is a member of the Association of American Law Schools; it is on the approved lists of the American Bar Association and the Virginia State Board of Bar Examiners; and its Juris Doctor degree is fully accredited by the Regents of the University of the State of New York.

The University of Richmond is located on a campus of 350 acres about six miles west of the center of the City of Richmond, Virginia. The Law School occupies a separate building constructed in 1954 and enlarged in 1972, and designed specifically for the study of law. The building, of Collegiate Gothic architecture, is used exclusively by the Law School and provides modern classrooms, seminar rooms, faculty offices, faculty reading room, administrative offices, student lounges, and meeting rooms for the Student Bar Association, the *Law Review*, *Legal Aid Society*, and other student organizations. The Library Reading Room, seating 150, is located in close proximity to the Library stacks. The Courtroom accommodates 200 persons.

Richmond is the seat of Virginia's government. The State Legislature, City Council, and County Board of Supervisors hold frequent

sessions. All types of County, City, and State courts, including the Supreme Court of Virginia, sit here—some of them continuously. Richmond is the headquarters for the Federal District Court for the Eastern District of Virginia and the United States Court of Appeals for the Fourth Circuit. Both courts hold regular terms in Richmond. The State Corporation Commission and the Industrial Commission hold their sessions here. Many of the Federal administrative agencies hold hearings in Richmond.

Thus the student finds, in addition to the formal School program, unsurpassed opportunities for law study by his observation of law in the making and in operation as he notes the various legislative, judicial, and administrative departments of the local, State, and Federal governments at work.

#### *PURPOSE AND METHOD OF INSTRUCTION*

The educational program of the Law School is designed to equip its graduates with legally trained minds, while instilling a sense of professional responsibility. Several factors are happily combined to accomplish this result. The case method of instruction is used in most courses. The student, especially the beginner, is trained in the analysis and solution of legal problems by the application of logical reasoning. Attention is given to the principles of the early Common Law, State and Federal decisions, and statutes, and to such rules of law as are peculiar to Virginia. Substantive courses, dealing with the content of the law, are offered by full-time professors. Most adjective courses, dealing with the principles governing actual practice before judicial and administrative tribunals, are offered by associate professors, all practicing attorneys and leading members of the City and State bars. The student is trained in the historical principles of law, but his attention is also directed to the most recent developments. By a combination of the above factors, a competent faculty offers a curriculum that is well balanced in theoretical and practical courses and carefully selected to prepare the graduate for the successful practice of law.

#### *LIBRARY*

The Law Library contains more than 63,000 volumes and is housed in greatly expanded facilities as a result of the recent addition to the Law School Building. The new facilities are fully air conditioned and provide space for over 100,000 volumes. The collection provides broad coverage of American and English Law. Included are all state and federal reports, as well as the complete National Reporter System; all annotated reports; loose-leaf services in all major fields; federal statutes and over half of the state statutes; all major encyclopedias; digests, treatises, and citators; subscriptions to over 200 legal periodicals; records and briefs of cases decided by the Supreme Court of Virginia and the Federal Court in the area; and cassettes and law tapes on a wide variety of legal subjects.

## MOOT COURT AND CLINICAL PROGRAMS

An extensive voluntary moot court program is offered. Trials at the traffic and police court level, at the trial court level, and at the appellate court level are held. The *Barnett Competition*, consisting of appellate arguments, is conducted in the second and third years. This competition gives all students an opportunity to enhance their skill in research, brief-writing, and appellate advocacy. Each participant gains invaluable experience in a more practical application of his legal education. From this competition a team of three students is selected to represent the School in the National Moot Court Competition. Two semester hours of credit are awarded to members of the team.

The T. C. Williams School of Law offers 10 semesters of 7 different clinical courses per year. These include formal as well as clinical work. A formal course designated Practice Court, limited to third-year students and carrying three semester hours of credit, is offered. In addition to regular classwork, each student is required to try one *nisi pruis* case, preparing all the pleadings and taking all the steps necessary to the ultimate disposition of the case. Other students act as witnesses and jurors, while members of the state and federal judiciary serve as judges. Further, three other trial tactics courses offer lectures on the order and technique of trials and require student participation as counsel in practice trials—some criminal, some civil.

In addition, both Civil and Criminal Practice Clinics are offered to third-year students, as well as a Legal Aid Clinic. All of these are offered both semesters. The Civil Practice Clinic is conducted in conjunction with the Metropolitan Richmond Legal Aid Project and the Legal Aid Clinic through the Neighborhood Legal Aid Project. Students, under the supervision of a staff attorney, gather facts and do selected legal research on cases being litigated. The Criminal Practice Clinic offers a variety of criminal legal problems, including investigative work, in conjunction with the office of the Commonwealth's Attorney of the City of Richmond. The development of a clinical legal education program provides an extremely well-balanced educational experience and T. C. Williams will be continuing to explore new possibilities for expansion.

## THE LAW REVIEW

The *University of Richmond Law Review* is a legal periodical published three times a year by a student staff under general supervision of a board and a faculty adviser. With some emphasis on Virginia Law, the *Law Review* presents the results of scientific study and scholarly investigation of practical legal problems of current interest to the profession. Articles are written by law teachers, judges, and practicing lawyers. Notes and comments on recent decisions and statutes are prepared by students. Membership on the *Law Review* is among the highest honors that can be attained by a student. This work affords students valuable training in research, analysis, and self-expression. In the opinion of many, this experience provides some of the best training the School has to offer. Members of the *Law Review* are awarded two semester hours of credit.

## STUDENT BAR ASSOCIATION

The Student Bar Association is the Law School's student government. This organization promotes and fosters all formal extracurricular activities. The Student Bar Association consists of a President, Vice President, Secretary, and Treasurer who are elected by the entire student body. The Student Council, the decision-making body of the Student Bar Association, is composed of these officers and two circuit representatives for each class in the Law School. The Student Bar Association is designed to assist law students in a variety of ways. It sponsors various activities and projects, including first-year orientation, a speaker's program, and other social events throughout the year.

## OTHER STUDENT ACTIVITIES

The Legal Aid Program gives the student a realistic educational environment which both aids in the assimilation of substantive subjects and develops the appreciation of the legal profession as a means of solving community problems. Existing programs include student volunteers working with the Metropolitan Legal Aid Association and the Neighborhood Legal Aid Society. Students also prepare legal memoranda and briefs for practicing attorneys on problems that have arisen in advising their clients or in litigating their clients' causes.

The McNeill Law Society is named in memory of Walter Scott McNeill, beloved professor in the School from 1905 to 1930. Monthly meetings are held, at which time legal essays and other papers prepared by the members are delivered. Membership is limited to students who have attained a high scholastic average and who have a special interest in research, writing, and the oral presentation of papers.

*Juris Publici* is an informational publication of the Law School which is student-edited. This newspaper serves as a forum for the dissemination of news on Law School events and activities to alumni and students as well as a journal for debate of scholarly issues and topics.

Three professional legal fraternities—Delta Theta Phi, Phi Alpha Delta, and Phi Delta Phi—sponsor a variety of academic and pro-

fessional programs on subjects of professional interest, as well as many community-service projects.

The Charles T. Norman Prize, a gold medal, is awarded annually to the best all-around law graduate.

The Michie Company Prize, *Burks Pleading and Practice*, is presented annually to the first-year student who attains the highest scholastic average in that class.

The Lawyers Title Award, \$100 in cash and a certificate, is awarded annually to a graduate for excellence in the law of real property.

The United States Law Week Award is made annually to the student who makes the most scholastic progress during the final year in law school.

The International Academy of Trial Lawyers Student Advocacy Award is awarded annually to the senior law student who has distinguished himself in the field of trial advocacy.

The William T. Muse Torts Award was established by the Student Bar Association in honor of William T. Muse, former Dean of the Law School. This award is given to the first-year student receiving the highest grade in torts.

The Wall Street Journal Student Achievement Award is presented annually to the student who has achieved the best work in the field of corporate law.

This Institute organizes and offers continuing legal education programs designed to meet the needs of practicing defense and prosecuting attorneys and others in the criminal justice system with respect to their rights, responsibilities, basic skills and techniques. Courses and special institutes are offered by outstanding specialists in the practice of criminal law, criminal investigation and the forensic sciences.

The summer session is composed of two terms of six weeks each. A total of six semester hours credit may be earned in each term. Classes begin at 8:30 A.M. and end at 1:30 P.M., meeting five days a week. Attendance at one full summer session will be deemed equivalent to one semester's residence where ten semester hours have been pursued during the session. In addition to the regular summer session, summer courses in Law are also offered by The T. C. Williams School of Law at the University of Kent in Canterbury, England. The course of instruction is offered jointly by The T. C. Williams Law Faculty and the University of Kent Law Faculty. Information relating to these courses, tuition, and other details may be obtained upon request to the Dean, School of Law.

# Admission Requirements

---

While no particular subjects are prerequisite for admission to The T. C. Williams School of Law, prospective students are urged to pursue a course of study that will cover all phases of human experience. The law student must be able to draw from a broad base of knowledge. The following are recommended as desirable pre-law concentrations: English, History, Political Science, Philosophy, Sociology, and Psychology.

## *PRE-LAW EDUCATION*

An applicant for admission as a candidate for the degree of Juris Doctor (J.D.) must be at least eighteen years of age, and must present a transcript from the registrar of a college or university of approved standing showing graduation therefrom or be accepted under the combined academic and law degree program. The policy governing admission to the Law School provides equal educational opportunity to qualified applicants without regard to race, color, national origin, or sex.

## *CANDIDATES FOR THE DEGREE*

Choice among applicants for admission is made in accordance with the School's evaluation of the individual's promise of success in the study of law at this School and its evaluation of his fitness to become a member of the legal profession.

There are no part-time students or night classes.

## *ADMISSION PROCEDURES*

Application must be made on appropriate Law School forms which are available upon request. A fee of \$15 must accompany the application for admission. This fee is not refundable and is not credited toward other fees in the event of admission. The following procedures must be followed and the specified documents forwarded to the Director of Admissions, The T. C. Williams School of Law, University of Richmond, Virginia 23173. The application fee will not be waived.

1. The application form accompanied by a check or money order for \$15 (Application Fee) payable to "University of Richmond."
2. A letter from the Dean (or other official in charge of records) stating that the college records indicate that no disciplinary action was taken against the applicant.
3. A narrative statement presenting all relevant factors of the applicant's record which should be considered in the selection process. This provides an opportunity for all applicants to explain or draw attention to a particular part of their record and to present themselves and their qualifications as they wish. (Limit 300 words).
4. Report from Educational Testing Service of scores on the Law School Admission Test (LSAT), which all applicants are required

to take. The results of a test taken more than three years prior to the date for which the applicant seeks admission will not be considered. No special preparation for the test is necessary since it is designed to measure aptitudes and general background rather than knowledge of subject matter. The test is given five times a year (in October, December, February, April, and July) at more than 100 examination centers throughout the country and overseas. Application forms and further information may be obtained by writing to Law School Admission Test, Educational Testing Service, Box 944, Princeton, New Jersey 08540.

5. The applicant should register with the Law School Data Assembly Service (LSDAS) by completing and mailing the registration form which will be found in the *LSAT Bulletin of Information*. A transcript from each college or university attended should then be sent to the following address (do not send to the Law School) : LSDAS, Educational Testing Service, Box 944, Princeton, New Jersey 08540. The LSDAS will process the transcript(s) and send a copy to the Law School. Accepted candidates will be asked to submit a final transcript directly to The T. C. Williams School of Law, showing that a baccalaureate degree has been awarded.
6. The applicant has the responsibility for ascertaining that all of his credentials have been received by the Law School. The School reserves the right to refuse to consider applications which are not complete in all respects by January 1.

### *SPECIAL STUDENTS*

Such students must, at the time of their admission, be twenty-three years of age or older, and are admitted only in exceptional cases where the faculty is convinced that their experience and training have equipped them to engage successfully in the study of law, despite the lack of the college credits required of candidates for the degree. Each applicant must submit in writing a statement setting forth his age and his academic and business training, accompanied by letters of recommendation from two or more persons who have had opportunities to form an opinion of his ability, character, and seriousness of purpose. Special students are not eligible for the degree, but upon completion of the course will be awarded the Certificate in Law.

### *COMBINED DEGREES*

Some colleges provide a combined degree program in which students may so combine the work in their college with the work in the Law School as to receive in six years a bachelor's degree and a law degree. Students who wish to make this arrangement must matriculate in the Law School at the beginning of their fourth or senior year and must complete the required subjects of the first-year law course. Students who complete successfully their first year of assigned work in the

Law School with the required standing in the class may receive the bachelor's degree from their undergraduate college, and will then receive the Juris Doctor degree from the University of Richmond upon the completion of the remainder of the three-year law course. Students desiring to make this arrangement should confer with the dean of their college and the Dean of the Law School before matriculation.

An applicant for advanced standing must comply with the requirements for admission governing candidates for the J.D. degree. Such an applicant must have completed one full year of study prior to beginning his studies at this Law School. Therefore, the applicant should submit an official transcript showing completion of the law school work for which credit is desired. In addition, the applicant must submit a statement from the dean of the law school previously attended that the individual is eligible to continue at or be readmitted to that law school.

No credit will be given for work completed in another law school unless at the time such credit is presented, it is acceptable to the school where it was earned and such school is either a member of the Association of American Law Schools or on the Approved List of the American Bar Association.

Credit on work transferred must have been completed with at least the grade of *C* or its equivalent. Credit granted is conditioned upon the successful completion of not less than thirty semester hours at this School. A final decision on the transferability of credit will not be made until the applicant has registered at this School.

## *ADVANCED STANDING*

# Academic Regulations<sup>\*</sup>

---

For students originally matriculating in the fall semester of 1975 (including students who began their legal studies in the summer program at the University of Kent, England in 1975) and thereafter, the following grading system is in effect:

A (4.0); A— (3.7); B+ (3.3); B (3.0); B— (2.7); C+ (2.3); C (2.0); C— (1.7); D+ (1.3) D (1.0); F (0).

The faculty may suspend imposition of this rule in an extreme case.

## *DEFERRED PAYMENTS*

The University does not offer a deferred payment plan, and all accounts must be paid in full each semester as indicated earlier in this section.

However, in recognition of the substantial interest in deferred payments, we have arranged to make available the services of "The Tuition Plan, Inc." which we feel is one of several sound alternatives for financing a student's education.

We recognize that many parents and students may prefer to arrange financing through their local bank or other sources, but if you are interested in "The Tuition Plan, Inc." further information is available from the Treasurer's Office upon request and there will be a mailing to all parents and students in June concerning this plan.

Whatever arrangements you choose, we urge you to complete them early so that your account with the University may be settled in a timely manner.

## *ADVANCE PAYMENTS*

Seventy-five dollars (\$75) of the General Fee must be paid in advance by all students. For new students this advance payment must be made upon acceptance for admission and will be credited on the first semester account of the student, but is not refundable if the student fails to matriculate.

## *ROOM AND BOARD*

Rooms in the Law/Graduate Dormitories (for men) and the "Deanery" (for women) are available to single students upon application to the Dean of the Law School accompanied by check payable to University of Richmond in the amount of \$75. Returning students must reserve a room on or before May 1 of the sessional year; new students must apply for a room upon acceptance by the school. There is a limited availability of rooms.

Upon receipt of this deposit, the Dean will forward a copy of the University Housing Contract, which sets forth the terms and regulations applicable to dormitory rentals. The deposit is not refundable to new students, but will be refunded to returning students if written notice releasing the room is received by June 1 of the sessional year. If a student occupies the room, the above deposit of \$75 will be credited to his or her account.

The rooms are furnished. Each student provides his or her own pillow, bed linens, towels and blankets. The Deanery also has an equipped kitchen.

The charge for room covers medical care by the University Infirmary but does not cover cost of medicines, expenses at a hospital or the services of any additional physician or nurse.

Law students living on or off the campus are not required to board on campus. However, several board plans are available to law students if they wish.

If a student elects to participate in a meal plan, he/she may change from one plan to another or drop out of the meal plans altogether during the "class add" period and receive a pro-rata refund for board. ## THE T. C. WILLIAMS SCHOOL OF LAW

### APPLICATION INFORMATION

#### *FILING OF APPLICATIONS*

Processing of applications for admission to an August class begins in August of the preceding year. Candidates are encouraged to submit their applications as soon as possible after they have completed three full years of college work. All application materials should be completed and received by the admissions office before January 1 of the year in which the applicant seeks admission. The School reserves the right to refuse to consider applications which are not complete in all respects by that date. Applications are considered roughly in the order in which they are completed with all decisions made and class completed by March. However, a waiting list will be established to fill vacancies which may occur during the late spring and summer.

Because the various parts of an application must come from several sources, it is the responsibility of each candidate to see that all required materials reach the Admissions Office. When the file of an applicant is completed and transmitted to the Admissions Committee for evaluation, the applicant will be notified. Any applicant who believes his file to be complete and has not received such notification should inquire about the status of his file by sending a written inquiry to the Director of Admissions, along with a return envelope, stamped and self-addressed.

#### *ADMISSIONS PROCEDURES*

The following procedures must be followed and the specified documents forwarded to the Director of Admissions, University of Richmond School of Law, University of Richmond, Virginia 23173.

1. The application enclosed herewith accompanied by a check or money order for \$15.00 (application fee) payable to the "University of Richmond." This fee is not refundable and not credited toward other fees in the event of admission.

2. A statement from the Dean or appropriate administrative officer for all undergraduate and graduate institutions you have attended, excluding summer school, certifying that applicant's record indicates that no disciplinary action was taken while enrolled. This statement should be on official stationery or otherwise certified as an official report. If any disciplinary action is indicated on the applicant's record, the Dean should indicate the nature of the action. If you have been the subject of disciplinary action and desire to make any explanation thereof, you may attach a separate explanation to your application. This requirement is not seeking the personal knowledge or character recommendation of the Dean, but merely a transmittal of what is incorporated in the applicant's record as far as disciplinary actions are concerned.

3. A narrative statement indicating all relevant factors of the applicant's record which should be considered in the selection process. This allows the applicants to explain or draw attention to a particular part of their record and provides an opportunity for all applicants to present themselves and their qualifications as they wish. An additional purpose of this statement is to give the Committee a basis for appraising the applicant's writing ability. This statement should be carefully prepared and limited to 300 words.

4. Law School Admission Test Score. (Official Copy). The Law School Admission Test (LSAT) is required for all applicants. The applicant must register to take the LSAT and specifically request the Educational Testing Service to send his test score

to our Law School. The results of a test taken more than three years prior to the date for which the applicant seeks admission will not be considered. This test is offered in over 100 examination centers throughout the country in October, December, February, April and July. Arrangements may be made to take it in foreign countries. Applicants are urged to take either the July or October test. Scores made on the December test ordinarily arrive too late for consideration. To obtain an application to take the test, write to: Educational Testing Service, Box 944, Princeton, New Jersey 08540. The best preparation for taking this Test is to read the Bulletin of Information about the Test. The test is designed to measure capacities and abilities which have been forming over the years, and these are not likely to improve through last minute preparation.

5. A Law School Data Assembly Service (LSDAS) report from the Educational Testing Service. To obtain this report, the applicant should register with the Law School Data Assembly Service. Registration forms can be obtained from LSDAS. A transcript from each college or university attended should then be sent *not* to the Law School but directly to: LSDAS, Educational Testing Service, Box 944, Princeton, New Jersey 08540

The LSDAS will analyze and duplicate the transcript(s) and send a copy to this Law School. The LSDAS report is received by the Law School directly from the Educational Testing Service and includes the candidate's LSAT scores as well as copies of all academic transcripts. All applicants who are accepted will be required to submit a final transcript, showing the award of a bachelor's degree, directly to the Law School.

6. Recent photograph. While this photograph is not required until after the admission decision is made, administratively it is convenient to assemble all records of an applicant as early as possible. Therefore, a recent photograph indicating on the back thereof the approximate date taken should be attached to each application form.

### *LETTERS OF RECOMMENDATION*

Recommendations can play a very useful part in the selection process and are strongly encouraged. However, because many recommendations are not written with sufficient care to provide useful information or because most solicited recommendations may be biased, recommendations are not required as part of our application process. Furthermore, too often applicants solicit recommendations from politicians, judges, alumni and others solely because the writer is a public figure or has ties with the Law School. Few writing these recommendations have more than a casual relationship with the applicant. It cannot be emphasized too strongly that it is not who writes the recommendation but what they have to say that is important. Recommendations should come from those who have had an opportunity to evaluate the applicant both carefully and individually over a sufficient period of time to make a reasonable evaluation. Recommendations from professors who have taught the applicant normally provide better evaluations.

When selecting an individual to write a recommendation be sure to inform this individual that we are interested in recommendations which provide relevant information not found elsewhere in the applicant's record or which provides insight into an applicant's maturity, motivation, intellectual ability, character, personality and fitness to practice law. It is also helpful for the writer to state the extent of his acquaintance with the applicant and give some indication of the facts on which those opinions are based.

The Law School does not require letters of recommendation. However, each applicant may have letters submitted in his behalf if he or she so desires. If letters of recommendation are to be submitted, the applicant should so indicate in the appropriate space on the application form. Otherwise, the application will be treated as complete when all requirements outlined above have been accomplished. If the applicant does indicate that letters of recommendation will be submitted, the application will not be acted upon until all designated recommendations have been received or until the applicant requests consideration before all recommendations have been received. The applicant should inform those writing letters to mail them directly to the admissions office prior to January 1.

To insure proper receipt by us of all communications, applicants are urged to furnish the exact address indicated below to all those who will be sending communications on behalf of the applicant.

Director of Admissions  
University of Richmond School of Law  
University of Richmond, Virginia 23173

### *INTERVIEWS*

Although personal interviews are not required as part of the admissions process, the Law School encourages each prospective applicant who can conveniently do so to visit the School. Informal visits provide an opportunity to obtain information about the School and the admissions process in addition to becoming better acquainted with the physical facilities. It is the policy of the Admissions Committee to grant formal interviews whenever possible to any applicant who requests one; however, the Committee asks that the applicant call or write for an appointment at least two weeks in advance. All formal interviews will be concluded by January 15.

### *THE ADMISSIONS PROCESS*

Based upon past experience, the University of Richmond Law School expects to consider approximately ten applicants for every position available. A substantial majority of these applicants will clearly demonstrate the ability to complete our Law School program and would qualify for admission by any absolute standard. However, due to the relatively few positions available, the selection process must be based upon a comparison of qualifications and in accordance with the Committee's evaluation of the individual's promise of success in the study of law at this school and its evaluation of the applicant's fitness to become a member of the legal profession.

The two most important items considered in making this evaluation are the undergraduate academic work and the Law School Admission Test Score. This Committee also considers an applicant's extra-curricular activities, professors' evaluations, employment experience, maturity, motivation and character. The policy governing admission to the Law School provides equal educational opportunity to qualified applicants without regard to race, color, national origin or sex.

### *EXPENSES AND FINANCIAL AID*

Fees for the 1976-77 academic year, exclusive of board and lodging, are \$2,700.00. A limited number of scholarships, awarded on the basis of academic achievement, are available. Applications for scholarships should be submitted by February 1 on appropriate law school forms. In addition, loan funds are available from NDSL, the ABA Foundation, SEAA and other private foundations. Further assistance is available through employment under federally supported Work-Study programs. Information on Financial Aid can be obtained from the Law School Catalogue.
